Central Campus

IOWA'S PREMIER REGIONAL ACADEMY
FOR ADVANCE CAREER PROGRAMS

Central Campus serves as the Premier Regional Academy within the Des Moines Public Schools. Over two thousand students from dozens of Iowa High Schools experience our Advance Career Training Programs. With academic planning and support in high school, students have the opportunity to earn community college credit and two-year Associates Degree at no extra cost.

Located at the heart of the model district for urban education, Central Campus offers hands on, real world work-based educational programs to a highly diverse community and surrounding areas. One of our greatest strengths is the friendships and networking of students from diverse backgrounds and communities. Des Moines Public Schools dedicates itself to excelling at unique and technologically advanced opportunities for all learners. Central Campus commits itself to providing equal access and prospects through rigorous academic and career training experiences for all.

SKILLED TRADES ALLIANCE

A common-sense solution designed and overseen by Iowa's trades industry.

What is the Skilled Trades Alliance?

Local skilled trades businesses, contractors and suppliers are pulling together to solve the extreme shortage of skilled trades laborers in Iowa. Partnering with Central Campus and Des Moines Public Schools they have jointly developed the Skilled Trades Academy designed to attract and educate high school students in many area of building construction. Money is being donated to create and further develop this program

What are we doing?

- Advising on the creation of trades- specific curriculum with a particular focus on construction-focused math
- Donating money for the build, equipment, paid internships and instructors
- Creating Paid Internships and Registered Apprenticeships

“If we do not support and promote our industry, who will?”

Lumbermans Drywall & Roofing Supply President Gary Scrutchfield

What else do we need to know?

- For the first time, businesses will have access to hire students for paid internships from the local high schools
- All donations will be monitored and managed by the Skilled Trades Alliance Steering Committee to ensure that all funds will be directed specifically to the Skilled Trades Academy.
- You may contribute cash donations, annual pledges and in-kind donations

Supporters who wish to remain anonymous may do so but all others will receive special recognition in relation to their Partnership Levels on display in the Skilled Trades Academy, as well as in printed and web materials, as appropriate.

Partnership Levels

\$100,000 +	Platinum
\$50,000 - \$99,999	Gold
\$25,000 - \$49,999	Silver
\$10,000 - \$24,999	Bronze
\$2,500 - \$9,999	Investor
up to \$2,499	Individual
