If a student has their own transportation to drive between schools, classes still have to be scheduled as it is above. A student coming down to CC for pds 1-2 would have to schedule an extra class here.

Otherwise they will be arriving late to their 3rd pd class at your school.

A student taking a 6-7 pd class needs to schedule a 5th pd class here or they will arrive late here.

In place of a class here, for students with their own cars, a release/travel block can be put in to make the schedule work for on-time arrivals at each school. We'll need to put in a travel block on our end.
