## Approximate Bus Times

Note: The bus requires a 20-minute window for loading, departing, in-transit, and unloading. But some schools are closer to Central than others so actual bus times will vary by a few minutes at each school. The bus should arrive at the school at the load time or earlier and will leave as soon as it is loaded. The arrival times include time to unload—usually the bus will arrive earlier than the time listed so that there is time to unload and walk to class. Academy does not count students tardy if the bus is late. Actual arrival times also depend on weather and traffic.

## FIGURING OUT THE NEW 7-period HIGH SCHOOL SCHEDULE

For middle school students (7<sup>th</sup> and 8<sup>th</sup> graders), this is easy. You eat lunch at your home school— 8<sup>th</sup> graders when they get back to home school and 7<sup>th</sup> graders before they leave for Academy.

For high school students this is a big change.

- Central high school students will not have MTSS (aka: Scarlet Time, Huskie Time, Rails Time, Polar Bear Time, Rider Time) at their home schools. They will have to use that time to travel or eat.
- If high school students come to Central for periods 1, 2, 3 or 4, the MTSS time is for travel and they eat lunch wherever they have their p. 4 class.
- If high school students arrive at Central for period 5, they will use MTSS time to eat lunch at their home school since their normally scheduled lunch time will be used for travel. This only affects students who ARRIVE for FIVE.

Find your schedule for M, T, F in the left-most column. Follow it across to see what you should do during MTSS time and where your lunch is all week long. (This assumes your home school has 2 main lunch periods).
