Central Campus complements and extends the programs of Central Iowa Schools, offering unique academic and career opportunities that direct, inspire, and motivate a diverse group of students. Our mission is to ensure students possess the knowledges, skills, and abilities needed to be successful at the next stage of their lives.

Central Campus serves as the Premier Regional Academy within the Des Moines Public Schools. Over two thousand students from dozens of Iowa High Schools participate in our Advance Career Training Programs. We provided career and academic planning to support high school students as they prepare for their postsecondary lives. In addition, Central Campus students have the opportunity to earn community college credit at no extra cost.

Central Campus offers hands-on, real world work-based educational programs to a highly diverse community and surrounding areas. One of our greatest strengths is the friendships and networking with our community business partners. Central Campus commits itself to providing equal access, through rigorous academic and career training experiences for all of its students.

Central Campus is truly the place where Learning Leads to Earning!

ACADEMIC INFORMATION

Central Campus has eight career academies with many specialized programs that offer multiple pathways to career readiness. Students have the opportunity to earn certifications and participate in internships and apprenticeships during and after high school. The following information is an overview of our academic process. If you have further questions, please contact our guidance department.

DROPPING A COURSE

Students should not plan to drop a course once their schedules are established unless there are exceptional circumstances. In that case, approval must be secured first from the home school counselor, then the Central Campus Counselor. When this process has been completed, the counselor makes the schedule change. For high school credit only courses, students have 10 days after the first day of school to drop the class without an F or W. For dual credit DMACC Courses, the drop deadlines will be communicated by the Central Campus Counselors Department.

GRADES

Grade are accessible through Infinite Campus. The first report indicates student progress and the second contains final grades and the amount of credit earned. These grades will be available at any time through the Infinite Campus Parent Portal. Please talk to classroom teachers, counselors, or administration if you have questions.

GRADUATION REQUIREMENTS

A total of 23 units of credit are required for graduation from each Des Moines High School. Questions about requirements may be directed to home school counselors.

SCHOOL ELIGIBILITY POLICY

Central Campus strives to foster a culture of excellence and prepare our students to succeed in the 21st Century as learners and citizens. We believe that students across the nation are very much the same, but that the levels of expectations that are bestowed upon them vary greatly. Central Campus sets the bar high and support our students in reaching those high expectations.

POLICY

According to the Iowa High School Athletic Association, the school must AT MINIMUM adhere to the No Pass No Play Policy. At any time, a local school may enforce a policy that is more stringent than that of the No Pass No Play Policy.

The Central Campus Policy will require that students maintain a C average or higher in each of the classes that he/she is enrolled. Progress check will be done for each activity season. If students receive a D or an F in any of their classes, he/she will have an individual academic intervention plan. Waiver checks will be done two weeks after the progress check. In order to participate in any events, a student must have a waiver signed for any class in which he/she has a D/F. If a waiver is not signed, the student will sit out of games and performances until they raise their grade to a C or better. Students must still participate in practice and they will also be able to dress for the activity. They will not be able to participate in the event for any reason. There will be an appeals process for students and parents if they want to dispute their ineligibility (See below).

This policy is enforced at all levels of play. (9th – Varsity)

Examples of events: theater play/performance, choir recital/performance, Academic Decathlon competition, Athletic/activity tournament game/match or regular game/match, cheerleading/dance, band or orchestra competition/performance, JROTC rifle or drill, etc.

STUDENT EXPECTATIONS

STUDENT DRESS AND LANGUAGE

The following guidelines are meant to assist students and parents/guardians in determining appropriate attire for school. Students are to dress for industry while at Central Campus. Some classes may require specific clothing or PPE to be worn in order to participate. The grooming or dressing by students in any manner that presents a health hazard, safety hazard or is a disruption to the educational process in the school, is not safe and will not progress a student in their future career goals.

School administration reserves the right to ban any item or clothing article which may cause a disruption to the learning environment or personal safety. School administration reserves the right to send students home if they are in violation of the dress code. Central Campus School has a clothing closet in which any student may use clothing in order to meet dress code requirements.

Students are not to use inappropriate/profane language in classrooms, in the hallways, or during other school related activities. Students whose dress or language is deemed to be disruptive to the learning environment will be provided an opportunity to correct the issue. Failure to meet the dress and language expectation may cause a student to be subject to the district disciplinary code.

ID BADGE POLICY

- ID badges must be displayed when entering Central Campus.
- ID badges must be easily accessible for lunch and classrooms.
- If a student loses their ID, they will be offered a free replacement. After that, students will be charged \$5 for all future replacement IDs.

STUDENT DISCIPLINE

Student Discipline Code and Procedures are from the District Discipline Code which can be found on the DMPS website for further clarification.

STUDENT MISCONDUCT

The *District Discipline Code* provides a description of a broad range of behavior considered to be student misconduct. The behavior described should be viewed as representative of the misconduct that most frequently causes a disruption to the orderly educational process.

The acts of misconduct listed in Levels I, II, III, IV are not inclusive. The student who commits an act of misconduct that may be classified into any of the four levels will be subject to disciplinary action by the classroom teacher, dean of students, vice principal, or principal. Des Moines Public Schools administration reserves the right to make final decisions regarding disciplinary consequences.

GENERAL DISCIPLINE GUIDELINES FOR ASSESSING PENALTIES

The District may impose disciplinary consequences for conduct that interferes with the educational environment.

Levels of Offense/Overview

Des Moines Public Schools believes a safe school environment is essential to ensure students can learn and be successful in their academic pursuits. To ensure a safe learning environment, DMPS has updated the discipline code to ensure students who repeatedly create an unsafe school environment, can be responded to quickly and efficiently. Acts of misconduct are categorized into the following four levels of offense:

Level I — Teacher Response: Offenses that generally occur in the classroom and can be corrected by the teacher.

Level II — Administrator Assisted: Offenses that are more serious in nature or a continuance of Level I misconduct. Teacher asks for help from a member of the Student Support team.

Level III — Administrator Response: Offenses that place the school and persons in harm's way and create an unsafe school environment. The Des Moines Schools District has chosen to specifically address the most prevalent and disruptive of these behaviors with specific policy and procedures.

1. Fighting: students mutually engaging in offensive physical contact intended to cause injury
2. Common area loitering or refusal to be in an assigned area: students creating an unsafe school environment by refusing to attend class or be in an assigned area creating an unsafe school environment
3. Technology use leading to or supporting violence while on school grounds: the uses of technology to increase the level of violence in schools: Recording violent acts while on school grounds for the purpose to exacerbate, recording violent acts while on schools grounds without alerting school officials

Students committing any of the behaviors listed above (Items 1-3) are subject to the following procedures:

1st offense = Parent Meeting and formal Behavioral Contract with supports provided.

2nd offense = 30 school days virtual placement

3rd offense = additional 60 school day virtual placement

4th offense = additional 90 school days virtual placement

*A manifestation determination meeting must be held for students with a disability.

The terms of a placement in an Alternate Educational Placement (AEP) under this required placement section, as well as under Level III, prohibit the student from attending or participating in any school activities.

Level IV — District Response:

Offenses that threaten to disrupt the orderly educational process of the classroom or school or offenses that demonstrate the student's presence is detrimental to the best interests of the school. A finding that a student has engaged in an offense listed under Level IV constitutes a finding that the student has engaged in serious misbehavior which may require alternate educational placement or recommendation for expulsion for serious offenses. A student may be disciplined for violating Level IV offenses if the misbehavior occurs on school property or at a school-sponsored or school-related activity regardless of whether the event is on or off school property.

SUSPENSIONS

OUT-OF-SCHOOL SUSPENSION

Out-of-school suspension may be assigned for serious violations of the discipline code. Students who have been suspended Out-of-School may not participate in school activities or be on school property throughout the duration of the suspension. Students who are suspended must make-up all class work upon returning to class. Before a student may return to class, a conference with parents or guardians must take place. Out-of-school suspensions do not count against the attendance policy.

ANTI-BULLYING/HARASSMENT PROCEDURE

- ✓ requests or pressure for sexual activity;
- ✓ unwelcome touching;
- ✓ other verbal or physical conduct of a sexual nature, such as inappropriate jokes, symbols, signs or posters of a sexual nature
- ✓ repeated remarks to or about a person with sexual or demeaning implications.

(Note: Any sexual overtures made by a staff member to a student whether welcome or unwelcome, shall be grounds for discipline, including termination. See Administrative Procedures Manual Series 400, Code 407.)

COMPLAINT PROCEDURE

Any person alleging a violation of these procedures may file a complaint using the *Complaint Procedures* of Series 400, Code 407, which is also described in the Employee Handbook. Employees who are aware of harassment or bullying shall file a written complaint or shall report the conduct to a principal or to the District Investigations Specialist at 242-7841. The complainant may bypass any step of the complaint procedure where the person against whom the complaint is to be lodged is the alleged perpetrator. Series 400, Code 407 shall govern the investigation of alleged cases of physical or sexual abuse, including sexual harassment, of students by staff members.

The complainant may be required to complete a written form and to turn over copies of evidence of discrimination, harassment, or bullying including, but not limited to letters, e-mails, tapes, signs, and pictures. The investigator shall promptly begin an investigation and proceed to completion. Both the complainant and alleged perpetrator will be given an opportunity to give a statement. District employees, students, parents, and volunteers shall fully and fairly cooperate in the investigation. A written investigation report shall be completed, and a summary of the report, including a finding that the complaint was founded, unfounded, or inconclusive, will be forwarded to the complainant, to the parent or guardian, and to the alleged perpetrator. The investigator will consider the totality of the circumstances presented in determining whether the conduct objectively constitutes discrimination or harassment.

The right to confidentiality, of both the complainant and the accused, will be respected consistent with the District's legal obligations, and with the necessity to investigate the allegations of misconduct and to take corrective action when this conduct has occurred.

NO RETALIATION

No person shall retaliate against a student or other person because the student or other person has filed a discrimination or harassment complaint, assisted or participated in an investigation, or has opposed language or conduct that violates these procedures, as long as the participation or action was done in good faith. Persons who engage in retaliation or who knowingly file false complaints or give false statements in an investigation shall be subject to discipline up to and including suspension, expulsion, or termination of employment.

ANTI-HAZING PROCEDURE: HAZING PROHIBITED

Certain forms of hazing are illegal and subject to criminal sanctions in the state of Iowa. All forms of hazing are prohibited by the District both on and off District property. Hazing is a practice that diminishes the integrity of individuals and their teams, activities, and organizations. Hazing has no place in our society, particularly in an educational environment. The District is committed to emphasizing that all teams, activities, and organizations be made safe, educational, and constructive. Therefore, in support of the District's commitment to the mental, emotional and physical well-being of every student, hazing in any form is prohibited, and its practices in any manner are condemned.

HAZING DEFINED

Hazing occurs when an action is taken against a person for the purpose of initiation or admission into, or affiliation with any organization, team, or activity operating in connection with the District, and the action either results in or is reasonably likely to have the effect of endangering the physical or mental health of the person, or humiliating, intimidating, or demeaning the person.

Hazing shall not include any activity or conduct that furthers the legitimate curricular or extracurricular goals in a manner that is appropriate and customary for similar school programs.

ACADEMIC INTEGRITY AND PLAGIARISM

Plagiarism is copying or imitating the language, ideas, or thoughts of another and passing them off as your own original work. Students are responsible for observing the standards on proper citation of sources for written work or other products. SECURITY CAMERAS IN SCHOOLS AND BUSES

It is the policy of the Des Moines Public Schools to create and maintain a safe school and work environment. Security cameras (closed circuit television systems – CCTV) are installed within school buildings and buses as well as the exterior of buildings. Security cameras monitor school property, assisting administrators in detecting and deterring unacceptable behavior or activities and otherwise enforcing district rules. Camera systems also provide a historical record to facilitate investigations.

All actions or conversations are subject to being recorded. Employees, students and others found to have tampered with or disabled cameras or systems shall be subject to discipline including termination of employment and possible legal action and restitution.

Security cameras are used to accomplish three important goals in the Des Moines Public Schools:

CRISIS SITUATIONS

In the event a crisis situation occurs in either the school or the community, students and staff should be prepared to respond according to district procedures and follow directions as given by members of the crisis team and community responders. Students should move quickly without talking or crowding. Teachers will follow students from the classroom and attendance will be taken.
- Severe weather drills are conducted by voice commands over the intercom system. Directions related to designated shelter areas are posted in each room.
- Lockdown drills are conducted periodically and directions are given over the intercom.

DISTRICT POLICIES

STUDENT ATTENDANCE POLICY

Rationale for Attendance Policy: The mission of Central Campus is to “learning leads to earning”. To live out our mission statement, we believe that all students should be active learners in their classrooms so they can be prepared with the knowledge, skills and abilities for their future. Additionally, students who are not in class for extended periods of time are at risk of failing academically, not learning at the same rate as their peers, and put at a disadvantage for success after high school. In order for a student’s absence to be excused, the Attendance Clerk, Terriann Kent (515-242-7653) must be notified as soon as possible. The list of excused absences and more information regarding attendance policies are located in the DMPS District Attendance Policy found at www.dmschools.org

STUDENT DISCIPLINE CODE & PROCEDURES

Please see DMPS Discipline Code/Procedures and searches related to Students, Protected Student Areas, Lockers, Desks, and Other School Facilities or Spaces for more detailed information found at www.dmschools.org.

EXTRA CURRICULAR CODE OF CONDUCT

PURPOSE

Students in the Des Moines Public School District who are involved in extracurricular and co-curricular activities represent themselves and their school whether they are away from or at school. They must understand that they are expected to conduct themselves in a way that serves as an example to others that will favorably reflect on their school. Infractions that occur at Central Campus or the Home High School can have consequences for Work-Based Learning Opportunities within the Program or Home High School Good Conduct Policy.

CONSISTENCY

Any penalty will travel with a student transferring within the District. It is the responsibility of each school to deal with all violations at the school. Non-enforcement issues will be handled by a committee of district athletic directors. Any violations will also transfer with a student moving into the Des Moines Public School District.

DETERMINATION AND APPEAL PROCESS

The student who is charged with violating the *Code of Conduct* will be notified of the alleged violation and the information that supports the allegation. The student will be given an opportunity to respond. There does not need to be a delay between the time that notice of the allegation is given to the student and the student's opportunity to respond. The Activities Director shall review all evidence and circumstances relevant to the allegation and shall make a decision regarding the alleged violation of the *Code of Conduct*. In the event the Activities Director determines the student has violated the *Code of Conduct*, the Activities Director will determine the period of ineligibility pursuant to the Penalty Details as set forth in the preceding section.

In the event a student/parent seeks to appeal the decision of the Activities Director, the following appeal process shall apply:

- ✓ The appeal must be in writing within five (5) school days.
- ✓ The appeal must be made by the parent, guardian, or student.
- ✓ The appeal must be made to the principal or designee.
- ✓ The student will be allowed to practice during the appeal. The student will not be allowed to participate in any contests or performances during the appeal.
- ✓ The administrative decision on the appeal will be made within five (5) school days following receipt.

The Activities Appeal Committee will consist of: Activities Director, Principal or designee, Two coaches/sponsors (not involved with student's activity), One teacher. A student charged with or who admits to an involvement in a criminal act not covered elsewhere in the Code may have his/her case brought up for review by the Activities Appeal Committee. The decision of the appeal committee is final.

COMPLAINT PROCEDURE

This complaint procedure has been developed to handle complaints of discrimination, harassment, or sexual harassment. Employees, applicants for employment, parents, students, and volunteers can file a complaint. Briefly, the complaint procedure includes the following steps:

1. Complainants may talk to their building principal or immediate supervisor to try to resolve the problem informally. If the complaint is based upon the conduct of the Complainant's principal or immediate supervisor, the Complainant may contact that person's immediate supervisor. Complaints should be reported as soon as possible after the event giving rise to the complaint.
2. If the Complainant prefers to proceed with a formal complaint, or if the matter has not been informally resolved, he or she may file a complaint with the District Compliance Officer or the Human Resources Investigations Specialist based on the allegation.
