Dear Central Campus Families:

Central Campus will be hosting Parent/Teacher Conferences virtually this semester on **February 13@ 3:30-7:00pm via Teams Meetings.**

We strongly encourage students to attend the virtual Parent/Teacher Conferences with their parent/guardian(s). As high schoolers, students need to journey down the path of taking ownership of their academic and social/emotional learning. Central Campus welcomes partnerships with students and parents. Strong school/family connections help provide better support for teenagers so they may find success now, and as an adult.

In addition, if you would like to request a face-to-face conference with your child's teacher, please contact the teacher directly via their school email. The teacher will then get back to you with a date to meet before or directly after school.

Below are the steps to sign up for a Virtual Parent/Teacher Conference via Bookings:
